A Prayer for Grandparents

*Lord, thank you for blessing my children with children.
I tried to be a good steward to the children you gave to me.*

I tried to show your love for me in my love for them.

Raising children was an emotional experience.

*It was hard because we don't own our children,
but we are responsible for their well-being and instruction.*

We are our child's first witness to the gospel.

Mothers recognized their children as gifts from God.

Fathers put away their pride and loved unconditionally.

*We provided, protected, guided, corrected, taught, prepared,
modeled, encouraged, and loved, as Jesus taught us.*

Now those children are creating the next generation.

Lord, as parents you know we did the best we could.

Now we will endeavor to do the same

with these new young souls.

We have a new tool we did not have with our children.

We now have wisdom, a gift you blessed us with

for following you during the years of raising our children.

*I pray that we use it wisely. Let the light of this experience
shine on our grandchildren that they see and know its source.*

We can now affect a life in profound ways.

Guide us and help us as we love our grandchildren

In Christ's name, Amen

Start children off in the way they should go, and even when they are old they will not depart from it. Prov. 22:6 NIV

A good man leaves an inheritance for his children's children. Prov. 13:22 NIV
