

## Judges 12 Lessons and Principles

1. Always avoid making foolish vows, but more importantly – never make a vow that goes against God’s Word.
2. There is a natural human tendency for us not to do a job unless we receive credit for it, don’t let that be the case with you, strive toward getting the work of God done and give Him the credit.
3. If you see God doing a great work with something or someone, jump in and help don’t just stand on the sidelines and watch it happen. God will accomplish His work with or without you.
4. We are not judged to be Christians by the way we pronounce a word, but we should be identified as Christian by the way we talk, act, and respond to controversy.

### I Am My Neighbor’s Bible

Just so someone may see  
And works not prompted by my love  
I'll never be set free

I am my neighbor's bible  
He reads me when we meet  
Today he read me in my home  
Tomorrow in the street

He may be a relative or a friend  
Or slight acquaintance be  
He may not even know my name  
Yet, he is reading me

So, I'll watch my steps where ere they go  
And my eyes what they may see  
And all the words forth from my lips  
Because someone is reading me

I'll try my best to do God's will  
And be what He wants me to be  
An all seeing eye is looking down  
And I know He's reading me

And so my God, who reads us all  
Knows me from A to Z  
And when I meet him on Judgment Day  
He'll still be reading me
