

Judges 13 Lessons and Principles:

1. We all have a mighty potential to do great things for God, and that potential is strengthened if we remain in the will of God.
2. Do not seek to know your future in this life, simply obey the Word of God and be prepared to be blessed.
3. Look back on the work God has done in your life, and know that His future blessings will be even greater.
4. We can never strengthen someone's faith by criticizing, only encouragement will strengthen their faith.
5. Remember this, if the Lord had meant to destroy you, He would have never accepted an offering on your behalf. The offering of Jesus on the cross. (John 3:¹⁷ For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.)
6. Our strength is found in the Spirit of God, the same as Samson's.
7. God can make good things come out of evil things, but that never justifies the evil things man does.
